## *What is divine love?*

- ★ Divine love is a care or companionship that is holy given to another person internally from the heart like what Jesus Christ did to us all, he died on the cross so we can be free from sin: so he showed his eternal love by being persecuted and killed on the cross for us to receive salvation and eternal life.
- ★ It is internal intense feeling of supernatural affection & care towards another person. So the divine love for someone or between people either a couple, friends, family and bathrens etc shall be eternal, holy, supernatural and beautiful, delightful, exquisite, magnificent etc.

## *Let's talk about Divine love*

### **What is divine ?**

Divine is an adjective of or pertaining to God. God is an eternal, holy and otherwise supernatural beautiful superhuman.

### **What is love ?**

Love is an intense feeling of affection and care towards another person. Or a term of friendly address regardless of feelings . There are four types of love which are **Agape, Phileo, Erosee & Storge love**.

### **Agape love**

According to Christianity, it is the love of God for mankind, or the benevolent love of Christians for others. It is a spiritual, altruistic, beneficial love which wills good for others. God does not have a reason for loving mankind, He just does.

Historically, it is a love feast, especially one held in the early Christian Church in connection with the Eucharist.

### **Phileo love**

This is love born out of a relationship and an experience of giving and receiving. Phileo is associated with these words:

PHILEEMA which means kiss. So relationships are included in this love. Remember I'm giving you biblical stuffs. I'm not out of the word of God.

PHILIA this is real friendship.

PHILOXENA meaning hospitality.

Phileo love covers all human relationships.

## Eros love

Physical love; sexual desire. Within Christian bounds, marriage out of this love is illegal. Only married people are allowed to have something to do with this love. Christians in non-marrital relationships are only limited to philia.

## Storge love

Parental affection; the instinctive affection which animals have for their young.

*Let's delve into the scriptures and see what the Bible says about love.*

People are correct when they say love is blind, for love does not need to see but to be seen. So you shall see love you whom is receiving the love from someone; if it was Christians didn't see the love of God they couldn't be following Christ and didn't show it we could not be believing in him, some may ask how did he show this love: **KJV John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.** John 13:16 it tells us that after God loving the world (us) he gave us his only begotten Son (**Christ**) so if we look deeply at this verse it tells us that Christ is the love we are talking about.

Some say love is sharp as a glass that if you are not careful you will get hurt. They will be talking of the love that is not supernatural. One of the people that got hurt because of supernatural love in the Bible is Samson getting betrayed by Delilah. Many went through this situation and got hurt and some conquered this unholy love Joseph getting tempted by Potiphar's wife etc. KJV Proverbs 3:12 For whom the LORD loveth he correcteth; even as a father the son in whom he delighteth. After seeing this verse I realized that love is never sharp when it is divine, it only lightens and gives hope.

Some will say love never works. It will never work but needs to be worked.

### **KJV 1 Corinthians 13**

**4 Love suffereth long, and is kind; Love envieth not; Love vaunteth not itself, is not puffed up,**

**5 Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil;**

**6 Rejoiceth not in iniquity, but rejoiceth in the truth;**

**7 Beareth all things, believeth all things, hopeth all things, endureth all things.**

**8 Love never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away.**

**Some will say love is the last thing they would think of ; they think it is nothing. KJV 1 Corinthians 13:13 And now abideth faith, hope, charity (love), these three; but the greatest of these is charity (love)**

Love needs wisdom, knowledge and understanding so it can be observed/seen Pharisees lived with God (Christ) but they never had the wisdom, knowledge and understanding to see that they have him, some even had dinner with him but never knew that they have the Messiah in their house.

The existence of love is in believing and being faithful. *KJV Jeremiah 31:3* The LORD hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee.

The below image is showing us where the Divine love of God for us was shown. As you can see the cross and love surrounding it meaning the love was shown on the cross. Just imagine the pain he went through for us to be free from the evil works, it is Divine love that made him to die for us.

### WHERE THE LABEL WILL BE DISPLAYED

**Divine love** is needed by everyone so this will not just get displayed without a meaning as at a family function like a get together everyone can wear a t-shirt, mask and a cap written **DL (Divine love)** on the t-shirt may be written **let's get together** as the theme of the function.

So this can be used as a marriage proposal way let's say I am proposing to Doreen I will have to wear this t-shirt and my title will be **will you marry me Doreen** so when she sees this obviously she will scream then you will have to give her, her own t-shirt written **I do, be my husband**. Don't forget that all will be having the label **DL** so after the girl says yes then she will put the t-shirt on.

The greatest of this will have to be used on Easter celebrations as we celebrate the divine love that was shown by God. So on this will have different titles/themes as a person will have to write how divinely God loves you. You may have to write a scripture that you love it may be **Zec 4:6 Not by might, nor by power, but by my spirit, etc.**

On anniversary the couple celebrating their marriage will also use this as to show the love they have for each other. This can be used like this they will write their years of being together and the title they have as they have been together, in this they may use scriptures as to show where the Divine love is from that they are together for that long eg Surname **Ruzengwe** title **together forever** years **5** this will be the same to a couple not yet married they can use this.

This DL label will be used also on the international holidays that are to bring peace amongst nation's and people. On the women's day this will have it's title eg **man we need your love** and the label divine love will be there that will be for women and for man title may be **man of quality is not afraid of equality**. So this is also a way to bring love in people.

On birthday parties the whole family members will wear this and will be having titles that one may be wishing for the one having the birthday and the his/her name and years being turned. Also the decorations will be done by divine love Deco so to have a unique birthday we're everything is having one label also the media will be done by divine love.

As we know this is needed for people to be proud of their own nation we have created our own design our pride which is divine love apparels to provide outfit for couples for events and seasonal for example church celebrations, marriage proposal, wedding casual, birthday's, anniversary, trips, get together, etc
